RESPONSE TO RESTRICTION/ELECTION REQUIREMENT

SIR:

In the Restriction Action mailed on June 5, 2009 (the one-month response date for which is July 6, 2009 (since July 5, 2009 was a Sunday)), the Examiner required restriction/election as follows:

As to pending claims 16 to 34, the Office required restriction/election as follows:

An election between the following Groups: **Group I – claims 16 to 25 and 31 to 33 22, drawn to an antenna amplifier, as characterized; and Group II – claims 26 to 28, 29, 30 and 34, drawn to a receiver and antenna amplifier, as characterized.**

ACCORDINGLY, CLAIMS 26 TO 28, 29, 30 AND 34 OF GROUP II ARE ELECTED WITH TRAVERSE, since it is not believed that examination of all of the claims presents any undue burden on the office.

Applicants reserve the right to pursue a divisional application to the claim(s) which is/are not addressed in this application.

If there is allowance of a generic claim, Applicants will be entitled to consideration of claims which depend from or otherwise require all the features of such a claim.

The Commissioner is authorized, as appropriate and/or necessary, to charge any fees (including any Rule 136(a) extension fees) or credit any overpayment to Deposit Account No. 11-0600. A duplicate copy of this paper is enclosed for this purpose.

Respectfully submitted,

KENYON & KENYON LLP
